Your response must be received in this office by January 17, 2005.

Your case is being held in this office pending your response. Within this period you may:

1. Submit all of the evidence requested;
2. Submit some or none of the evidence requested and ask for a decision based upon the record; or
3. Withdraw the application or petition. (It is noted that if you request that the application or petition be withdrawn, the filing fee cannot be refunded).

If any document is not in English it must be submitted along with a certified English translation. The translator must certify that he/she is competent to perform the translation and that the translation is accurate. Translations submitted without related foreign-language documents are not acceptable.

You have filed an application for work authorization as an alien admitted as a refugee into the United States. A photocopy of a previously issued Employment Authorization document submitted with your application indicates you have filed and are pending asylum status.

To establish your pending asylee status, you must submit a copy of the asylum application filed with the asylum office, or a copy of the order of the Immigration Judge.

****New Passport-style Photo Requirement****

You have either submitted an incorrect photo pose OR have neglected to include passport-style photos in your I-765 application. Full frontal photos are the set standard.

USCIS must comply with new international agreement standards for employment authorization document photos to comply with U.S. Department of State passport photo guidelines. Form I-765 must be accompanied by two passport-style natural color photos; therefore, please submit two color photos of yourself, taken within the last 30 days, and not previously used.

Digital photos or photos that are laser printed will be accepted; however, there must be no discernible pixels or dot patterns. Using a soft pencil or felt pen, print your name (and alien registration number, if known) on the back of each photograph. We suggest that you show these instructions to the photographer who takes the pictures.

For specific information on acceptable passport photos, please visit the Department of State's website at <http://travel.state.gov/passport/pptphotos/>.
